Old Business:

Banquet:

Banquet date is set for August 25 at Annie's mother's home on Riverside Drive in Indialantic. Banquet will start at 12pm with pool party and food, award ceremony at approximately 1:30 followed by more pool party after. Parking for the event will be on Miami Avenue.

Sandy will send out Evite with a RSVP date by Aug 17th to all winners and general DHD membership. Notice will also be posted on the DHD Facebook and Website with a Sandy listed as a point of contact for those interested in learning more. Evite will go out August 1st. Sonya has agreed to put together 10-12 centerpieces to be raffled. Sandy is also hoping to get a few Dover Gift Certificates for the raffle as well. Sandy has secured most of the prizes, she has one more company to order from and will contact Stacy Marchetti to get the items embroidered. She plans to have all items needing to be embroidered to Stacy by August 1st if not before.

DHD will be providing Sandwich rings and cake from Publix, we need a volunteer to coordinate ordering and pick up once RSVP's are received. Club will also provide water, lemonade and tea. Attendees are requested to bring a dish to share.

Annie would also like a few helpers with set up a few hours before the start. Sonya has volunteered.

Fall Clinic:

September 16 at Wickham Park with Hank Hutson as the clinician. Meghan will verify and complete paperwork with Wickham Park. Meghan was given a copy of the proposed clinic entry form. Minimum of 6 rides. Closing date Sept 5th. Side note: damaged arena at Wickham has been repaired.

New Business:

Sonya brought up the possibility of selling the chain arena, which sparked a discussion about the possible need to start thinking about the replacement of the current arena in the future. Item has been tabled for more thought. This led to some discussion of the possibility of setting up a short arena in the small eastern most arena at Wickham. All agreed that we should measure to see if a short arena would fit. This way we could still have the Southern most arena for warmup.

No more information on the possible show this fall at BG Polo – tabled.

Next meeting August 9th @ Annie's.

Meeting adjourned.
