### **OLD BUSINESS**

Readiness for March show: 37 horse rider combinations entered. 4 on wait list. Most issues involved people not completing waivers or attaching Coggins when submitting through EQ Entries. Laurie offered to write up a tutorial on completing waivers and uploading documents to EQ Entries. We have the minimum number of volunteers to run the show at this time.

Roster Status: We currently have 45 members. 6 need to be sent in to USDF. Cynthia will update the Mailchimp email list.

Ballcaps: Motion was made to allow Laurie to order 48 royal blue performance hats with gold logo on front and "volunteer" on back. Motion carried.

Motion made to distribute caps to those volunteers who work 6 or more hours at shows in the 2021 show season. Motion carried.

Laurie has offered to help track hours and distribute hats accordingly.

Membership survey results: We received 17 responses to the membership survey. Laurie has offered to create a QR code to post at the show and Sandy will print the survey and include in show packets in hope of getting more feedback. Barb will resend the survey to the email list.

Freestyle presentation: Barb showed a template of the presentation she is developing with Carly Wolf. She will move forward with production and the presentation will be done via invitation in a ZOOM meeting on April 15.

### **NEW BUSINESS**

April Show: Jackie will share the sign in info for EQ Entries and Fox Village so we can go in and play with the program and see if we can be of assistance in getting the online entry process smoothed out.

Braqs: Sandy is bringing Gru out for his debut show! We are all excited to meet him!

Rewards: Ellen Schumacher sent in a written rewards report on SERPENTINES! Sounds like she is well on her way to unlocking this elusive movement! Way to GO Ellen!
