### **Old Business**

*Readiness for Feb. show:*

Ribbons are ordered. Gloria and Ann are working on repairing damaged ribbons.

Volunteer positions are filling. Gloria and Ann will get vol hours for ribbon repair. We are owed volunteer hours from 2- 2020-year end award recipients. Sonya will reach out to them and attempt to rectify.

Jackie and Ann will complete show paperwork. Ann will transport show box, paperwork and raffle items to the show.

Barb will see Carol Bulmer and verify that she is ready to judge our show.

*Website:* Becky Melton has been contracted to maintain website for 2022.

### **New Business**

*April Meeting:* In person. Annie has offered to host at her home.

*Braggs:*

Annie reports she has been working with Lyft using Warwick Schiller methods and she sees great results! She is looking forward to making her show debut at the Feb. show!

*Rewards:*

Meghan gave a rewards report on her adventure trying to attend a clinic at Copper Light. Her mare had a freak accident while loading and gave everyone a scare. Everyone ended up ok, but more trailer loading practice is in her future! Meghan attended the clinic as an auditor and watched the other riders receive instruction. Her take-away was that riders need to go back to basics when things are not going well.

*Miscellaneous:*

Cynthia suggested to feature Jackie and her GMO Volunteer Award on our website. Barb and Meghan will get that done!

Cynthia requested that we not publish the ZOOM links publicly. The link will be available to members and anyone who requests to attend but not published openly.

**March meeting will be via ZOOM.**

**Meeting Adjourned at 8:23pm**
